

# The HOLOHOAX for Dummies

It is reliably estimated that there were 2.4 million Jews in German occupied Europe. Yet after the war's end 3.8 million of them applied for 'SURVIVOR' compensation and the other SIX MILLION of course were lost?

## SO MIRACLES DO HAPPEN

In 1939 there were 15,700,000\* Jews in the world. By February 1948 this official recognised figure had risen to 18,700,000. \*\*

What this means is that if 6 million of the original 15,700,000 were gassed by those thoroughly nasty Germans only 9,700,000 remained.

No surprise then that the doubling of their population in less than nine years has astounded biologists, statisticians, and shocked the Holy See who are used to studying miracles but never one of such shekel-making opportunity.

## FURTHER MIRACLES ABOUND

From the BEGINNING there was the plucked-from-the-air figure of SIX MILLION of which 4 million we are told were gassed at AUSCHWITZ.

Then in 1990 as it emerged that these figures simply didn't add up this figure was revised to 1 - 1.5 million. So what happened to the other 2.5 - 3 million?

How interesting that despite such politically correct revisionism this has had no effect on the six million figure which remains iconic and conveniently sacrosanct as well as being the most brilliant money-making scam.

## THE EXPLANATION

Let a Jewish gentleman of integrity (before he was 'dealt with') explain: "*Why then are they, the Israelis, obstructing all honest research into the six million question?*

*All statistics will so long be controversial until world Jewry and Zionism will be willing to present to the public exact official statistics of the losses.*

*The roadblock to research is due to the fact that from six million dead one can extract far more reparations than from say 6,000.*" - Joseph Ginsburg, Jewish survivor/researcher. Munich.

While sheeple count numbers and scratch their heads those in the counting houses tap furiously at calculators as they count the wonga they're making out of what Ed. Finklestein wryly described as The Holocaust Industry.

## MEET THE CHANCERS

It might help to concentrate the mind to remember that the clique running Animal Farm today come from the same stable as those who pulled the 'weapons of mass destruction' out of the magician's hat.

The same contemptible liars who claim Pearl Harbour was a surprise attack; blamed the other side for 'starting it' (don't they always?) And libelled an entire nation to justify war, rape and plunder, which is something of a habit as the sorry world today suggests.

These are the same tribe of despicable political chancers who keep quiet about Joe Stalin's crime sheets; no doubt because they were accomplices, just as they were in the

post-war ethnic cleansing of thirteen million Europeans; the dismemberment and occupation of Germany; the very things they supposedly went to war to prevent.

## BEWARE OF BOOK BURNING -

Or of omissions to say the least! "I have checked out Churchill's *Second World War* and the statement is quite correct—not a single mention of Nazi 'gas chambers,' 'genocide' of the Jews, or 'six million' Jewish victims of the war. This is astonishing. How can it be explained? Eisenhower's *Crusade in Europe* is a book of 559 pages; the six volumes of Churchill's *Second World War* total 4,448 pages; and de Gaulle's three-volume *Mémoires de Guerre* is 2,054 pages.

In this mass of writing, which altogether totals 7,061 pages (not including the introductory parts) published from 1948 to 1959 one will find no mention either of Nazi 'gas chambers,' a 'genocide' of the Jews, or of 'six million' Jewish victims of the war." - Richard Lynn, Professor Emeritus, University of Ulster, December 5 2005.

## MIRACLE TELEVISION

Joe Sixpack and the Royale Family are transfixed by the victors' propaganda so when sixteen years ago Dr. Franciszek Piper, the Director of the Auschwitz State Museum quietly conceded that cells passed off to gaping tourists as gas chambers had in fact "*been subject to certain architectural changes*" by the Soviets long after the war's end.

This rather deals with inconvenient inconsistencies. Disneyland comes to your living rooms indeed! If you were rattling the shekel box wouldn't you take such saps for a ride? Don't lie! Of course you would! Doh!

## THE RED CROSS v THE DOUBLE-CROSS

You won't see this in your daily newspaper or television: the International Red Cross reported that fewer than 300,000 internees of ALL nationalities in ALL German camps died of ALL causes including old age. \*\*\*

This incidentally is a tiny fraction of the numbers of those of ALL nationalities who died in allied concentration camps during and AFTER the war's end.

Of these 300,000 less than half were Jewish and the biggest irony of all? Most died as a direct consequence of typhus epidemics caused by day and night allied bombing raids which turned the German landscape into a bomb-cratered moonscape." - The Golden Horizon, Weidenfeld and Nicholson, London.

## CAN YOU STOMACH YET ANOTHER MIRACLE?

According to the New York Times of January 4, 1987 celebrated survivor Eli Wiesel who makes a movie star living as a 'camp survivor' recalled the day the Soviets arrived at Auschwitz.

But in an earlier speech to the National Press Club in Washington D.C., reported by the *Jewish Telegraph Agency* on April 11 1983, the same Eli Wiesel noted that he was one of the survivors liberated from Dachau by the U.S. Army. \*\*\*\*

For those who weren't listening to their holocaust studies at school, Auschwitz is situated near Katowice in Poland whereas Dachau is in southern Germany.

### **PRETTY COOL HEY?**

Pretty cool hey; being liberated simultaneously from camps nearly 1,000 kilometres apart. Some miracle huh! Even more incredible is the number of people who without question gulp down the most outrageous nonsense.

If the 20<sup>th</sup> Century is remembered for anything by future generations it will not be the terrible European wars, the 40 million murdered by the Soviets, the 13,000,000 'disposed of' by the briefest of homicidal allies; it will be the mind-numbing gullibility of the western public whose common sense deserted them at the mere mention of the 'H' word.

### **NOT A LOT OF PEOPLE KNOW THAT**

Whilst on the subject of Dachau this concentration camp which under German control was well managed (check it out yourself by going there as I have done) was an allied concentration camp for longer than it was a German camp. One of the saddest places on earth, the Guantanamo Bay of its time its unfortunate inmates were beaten senseless by American troops to facilitate their transportation to the Soviet death camps and gulags. - *The Last Secret*, Nicholas Bethell. Andre Deutsch.

### **HEY! SURVIVING TWELVE DEATH CAMPS?**

Simon Wiesenthal was another who made a lucrative career as a professional survivor. If one could make a small fortune out of surviving one death camp he reasoned he could make a lot more by surviving no less than twelve 'death camps' for that was what the BBC would have us believe.

Hardly fits in with the legendary efficiency of the Nazi war machine but we'll let that pass. Why spoil a good story? Radical or what?

### **THE MIRACLE PEN**

Since the 1950s the world has been transfixed by the story of a young Jewish girl whose life was ended in a Nazi death camp after spending years hiding out in a Dutch tenement building.

The tale of single hapless childhood martyrdom has been turned into countless books, stories, movies; there are even museums which people visit Yet surprisingly none for the hundreds of thousands of European children and adults incinerated in the flaming city pyres of the allied inspired bombing campaigns are remembered.

Amazing how in this age in which racism has been confined to the history books the only victims to be genuflected over happen to be Jewish; even individual Jews count for more than hundreds of thousands of European Christians.

More extraordinary the original 'diary' of this one victim, Anne Frank, has never been seen.

Even more astonishing for those of you who like miracles is that much of the 'diary' we can see carried additions and

corrections written with a ballpoint pen - which was not invented until years after the girl's death.

### **AND STILL THE LIES ARE DISHED UP TO A GULLIBLE AUDIENCE**

Television today continues to show decades old propaganda clips which the authorities in full retreat now accept as false; like lampshades and soap eh.

A good example being the scene shown of the shower room (brausbad) at Dachau. Only the equal nonsense of *The Great Escape* and *The Sound of Music* get more repeats

Viewers are solemnly informed that the victims would enter but instead of water spouting out of the shower heads poisonous gas would be emitted.

The problem is that the authorities have long admitted that there were no gas chambers at Dachau or for that matter anywhere on German soil.

Only, conveniently at camps occupied by the Soviets who just as conveniently didn't allow anyone to peek until ten years after the war's end.

**Journalists and other dupes!** Recycle nonsense and get paid for it while you can - but that will not be very much longer for you are already being held in as much contempt as those who fawned upon the emperor's 'new clothes'. Hans Christian Anderson sure read you guys!

\* The American Jewish Committee cites a figure of 15,688,259

\*\* The Jewish owned New York Times for February 22<sup>nd</sup> 1948 uses the figure of 18,700,000

\*\*\* When the International red Cross interviewed thousands of liberated camp internees at the end of the war; asking whether they had witnessed alleged gassings the response was universally negative. According to IRC Document #9925 June 1946 "The detainees themselves have not spoken of them.' It was obviously another invention of the notorious illegal War Crimes Tribunal.

\*\*\*\* In his book *Legend of our Time*, New York 1982, and the Weasel explains: "*Things are not that simple, Rebbe. Some events do take place but are not true; others are - although they never occurred.*" That should have you scratching your perplexed head.

### **MOST OF US COULDN'T MAKE IT UP - BUT PAVLOVA'S DOGS STILL LAP IT UP**

So if you are still trying to figure out why those running today's Animal Farm are running scared; seizing and gaoling thousands for publicly questioning the so-called holocaust, the Jewish one that is, perhaps this tract may go some way to helping you get the idea.

The Berlin Wall didn't cease to exist; they just moved the mindset behind it further to the West. We all live like Soviet citizens now: "*I want to be an honest man in all respects but now the person who knows the truth is the one who lives in fear.*"

- Dmitry Shostakovich to S. Volkov, his biographer.

*Here's freedom to him who would speak; here's freedom to him who would write; for there's none ever feared that the truth should be heard; save he who the truth would indict!* - ROBERT BURNS
